

Prodeal Purchase Program Application

IMPORTANT: Active, full-time employment with one of our approved groups is required. Use of a generic email address (gmail, hotmail, etc...) without attaching any supporting documentation will result in an automatic rejection of your application. Each Customer Type has a specific set of criteria that must be met in order for us to determine your eligibility. Before you apply, please reference the requirements associated with your group in our [Qualifications & Terms](#) section and understand the information we will require in your application. Incomplete applications or submissions with limited information will be automatically rejected.

Email your completed application to customerservice@pack-rabbit.com. We will respond to your application as quick as we can.

PRODEAL QUALIFICATIONS AND PURCHASE SPECIFIC TERMS AND CONDITIONS

PROGRAM OVERVIEW

We offer this special program pricing as a courtesy to our employees and certain professional product enthusiasts. The special program pricing is confidential and should not be disclosed to anyone who has not been invited by us to participate in the program. The products that you purchase under this program are for your personal use only, **NOT for family and friends**. We may limit the quantity of products or styles that you may purchase, and we may restrict the geographic area that we will ship to. You may not resell the products or allow anyone else to purchase products under your name, nor may you alter or obscure any logos on the products. The products that you purchase are NOT eligible for return. You are responsible for all sales, use, or value-added taxes associated with the products you purchase from us. We reserve the right to cancel your outstanding orders and refuse to accept further orders from you at any time and for any reason in our sole discretion. Pro Purchase discounts cannot be combined with any other site promotions or discount, including free shipping offers.

QUALIFICATIONS

Active, full-time employment with one of the following organizations is required. Use of a generic email address (gmail, hotmail, etc...) without uploading any supporting documentation will result in an automatic rejection of your application. For each group, please follow the specific requirements listed below.
